MATERIAL SAFETY DATA SHEET

DYNA-STRIP "2020" CONCENTRATE - LATEX SKIN REMOVER

Section I

CHEMICALS & EQUIPMENT, INC.

2902 EAST X STREET DEER PARK, TEXAS 77536 Toll Free 877-644-1492 Emergency Telephone Number (713) 644-1492

Telephone Number for Information (713) 644-1492

Date Prepared January 5, 2010 (Revised 8/9/13)

Section II — Hazardous Ingredients/Identity Information

Hazardous Components			Other Limits	
(Specific Chemical Identity: Common Name(s))	OSHA PEL	ACGIH TLV	Recommended	% (optional)
Sodium Metasilicate (CAS # 6834-92-0)	N/E	N/E	N/A	N/A

Section III — Physical/Chemical Chara	cteristics		
Boiling Point		Specific Gravity (H ₂ O =1)	
	212 °F		1.040
Vapor Pressure (mm Hg.)		Melting Point	
Vapor Density (AIR = 1)		Evaporation Rate (Butyl Acetate = 1)	
			1%

Solubility in Water

Appearance and Odor

Amber liquid

Section IV — Fire and Explosion Hazard Data

Flash Point (Method Used)	Flammable Limits	LEL	UEL
N/A		N/A	N/A

Extinguishing Media

Dry chemical, water mist, alcohol foam

Special Fire Fighting Procedures

Firefighters should wear a self-contained breathing apparatus as in all chemical fires.

Unusual Fire and Explosion Hazards

None

Stability	Unstable		Conditions to Avoid	
	Stable			
Incompatibility (M	(atarials to Avoid)	X		
	mperature. Avoid strong oxid	izing age	nts.	
Hazardous Decom	position or Byproducts	8 8		
May produce oxid	des of carbon			
Hazardous	May Occur		Conditions to Avoid	
Polymerization				
	Will Not Occur	X		
Section VI	Health Hazard Data			
Route(s) of Entry	Inhalatio		Skin?	Ingestion?
Route(s) of Entry	Yes	·11 •	No	Yes
	cute and Chronic)			
May produce irrit	ation of the gastrointestinal tra	ct if inge	sted, Irritating to eyes. No known chronic hea	lth hazards.
Carcinogenicity	NTP?		IARC Monographs?	OSHA Regulated?
. ·	No		No	No
EYES - Irritation; gastrointestinal tract Medical Condition Generally Aggrava Unknown	s SKIN - May produce drying to t s ated by Exposure	upon prol	onged contact; INHALATION - May produce	e irritation; INGESTION - Irritation o
EYES - Irritation; gastrointestinal tract Medical Condition Generally Aggrava Unknown Emergency and Fin SKIN - Flush with produced and irritati	s SKIN - May produce drying to the state of	ater for fit	fteen (15) minutes. See a physician immediate ntil mist has dissipated. If irritation persists, se irritation persists, see a physician.	ely; INHALATION - If mists are
EYES - Irritation; gastrointestinal tract Medical Condition Generally Aggrava Unknown Emergency and Fin SKIN - Flush with produced and irritation milk or water. DO 1	s SKIN - May produce drying to the state of	iter for fif return ur If gastric	fteen (15) minutes. See a physician immediate ntil mist has dissipated. If irritation persists, se irritation persists, see a physician.	ely; INHALATION - If mists are
EYES - Irritation; gastrointestinal tract Medical Condition Generally Aggrava Unknown Emergency and Fin SKIN - Flush with produced and irritati milk or water. DO I	s SKIN - May produce drying to the stated by Exposure rst Aid Procedures In water; EYES - Flush with water ion occurs, leave area. Do not NOT INDUCE VOMITING. — Precautions for Satin Case Material is Released lute with water.	nter for fif return ur If gastric fe Har	fteen (15) minutes. See a physician immediate ntil mist has dissipated. If irritation persists, se irritation persists, see a physician.	ely; INHALATION - If mists are
Medical Condition Generally Aggrava Unknown Emergency and Fin SKIN - Flush with produced and irritate milk or water. DO I Section VII — Steps to Be Taken Contain spill. Dil	s SKIN - May produce drying to the stated by Exposure rst Aid Procedures In water; EYES - Flush with water ion occurs, leave area. Do not NOT INDUCE VOMITING. — Precautions for Satin Case Material is Released lute with water.	nter for fif return ur If gastric fe Har	fteen (15) minutes. See a physician immediate ntil mist has dissipated. If irritation persists, se irritation persists, see a physician.	ely; INHALATION - If mists are
EYES - Irritation; gastrointestinal tract Medical Condition Generally Aggrava Unknown Emergency and Fin SKIN - Flush with produced and irritation water. DO I Section VII — Steps to Be Taken and Contain spill. Dil Waste Disposal Medical Diluted material in the produced in a cool, dress to be a cool, dre	s Inted by Exposure In water; EYES - Flush with water; EYES - Flush with water NOT INDUCE VOMITING. In Case Material is Released but with water.	nter for fif return ur If gastric fe Har or Spille	fteen (15) minutes. See a physician immediate ntil mist has dissipated. If irritation persists, se irritation persists, see a physician.	ely; INHALATION - If mists are
EYES - Irritation; gastrointestinal tract Medical Condition Generally Aggrava Unknown Emergency and Fin SKIN - Flush with produced and irritate milk or water. DO I Section VII — Steps to Be Taken Contain spill. Dil Waste Disposal Me Diluted material re Precautions to Be Store in a cool, dr Other Precautions	s Inted by Exposure In water; EYES - Flush with water; EYES - Flush with water NOT INDUCE VOMITING. In Case Material is Released but with water.	nter for fif return ur If gastric fe Har or Spille	fteen (15) minutes. See a physician immediate ntil mist has dissipated. If irritation persists, se irritation persists, see a physician.	ely; INHALATION - If mists are
EYES - Irritation; gastrointestinal tract Medical Condition Generally Aggrava Unknown Emergency and Fin SKIN - Flush with produced and irritati milk or water. DO I Section VII — Steps to Be Taken Contain spill. Dil Waste Disposal Me Diluted material ma	s SKIN - May produce drying to the stated by Exposure rst Aid Procedures In water; EYES - Flush with water area. Do not NOT INDUCE VOMITING. — Precautions for Sain Case Material is Released to the with water. ethod may be flushed into sewer. Taken in Handling and Storicy place.	nter for fif return ur If gastric fe Har or Spille	fteen (15) minutes. See a physician immediate ntil mist has dissipated. If irritation persists, se irritation persists, see a physician.	ely; INHALATION - If mists are
EYES - Irritation; gastrointestinal tract Medical Condition Generally Aggrava Unknown Emergency and Fin SKIN - Flush with produced and irritati milk or water. DO I Section VII — Steps to Be Taken Contain spill. Dil Waste Disposal Me Diluted material m Precautions to Be Taken in a cool, dr Other Precautions Section VIII - Respiratory Protect N/A	s skin - May produce drying to the second rest Aid Procedures in water; EYES - Flush with water ion occurs, leave area. Do not NOT INDUCE VOMITING. — Precautions for Sa in Case Material is Released lute with water. Pethod may be flushed into sewer. Taken in Handling and Storicy place. — Control Measures etion (Specify Type)	nter for fif return ur If gastric fe Har or Spille	fteen (15) minutes. See a physician immediate ntil mist has dissipated. If irritation persists, se irritation persists, see a physician. Idling and Use	ely; INHALATION - If mists are
EYES - Irritation; gastrointestinal tract Medical Condition Generally Aggrava Unknown Emergency and Fin SKIN - Flush with produced and irritati milk or water. DO I Section VII — Steps to Be Taken Contain spill. Dil Waste Disposal Me Diluted material r Precautions to Be To Store in a cool, dr Other Precautions Section VII -	s SKIN - May produce drying of the stated by Exposure rst Aid Procedures in water; EYES - Flush with water ion occurs, leave area. Do not NOT INDUCE VOMITING. — Precautions for Sa in Case Material is Released lute with water. ethod in the many be flushed into sewer. Faken in Handling and Storicy place. — Control Measures etion (Specify Type) Local Exhaust	nter for fif return ur If gastric fe Har or Spille	fteen (15) minutes. See a physician immediate ntil mist has dissipated. If irritation persists, see irritation persists, see a physician. Idling and Use	ely; INHALATION - If mists are
EYES - Irritation; gastrointestinal tract Medical Condition Generally Aggrava Unknown Emergency and Fin SKIN - Flush with produced and irritation water. DO In Section VII — Steps to Be Taken of Contain spill. Dil Waste Disposal Medical Diluted material of the Contain spill. The Contain spill of the Contain spill. Store in a cool, drother Precautions Section VIII - Respiratory Protection N/A Ventilation	s skin - May produce drying to the second rest Aid Procedures in water; EYES - Flush with water ion occurs, leave area. Do not NOT INDUCE VOMITING. — Precautions for Sa in Case Material is Released lute with water. Pethod may be flushed into sewer. Taken in Handling and Storicy place. — Control Measures etion (Specify Type)	nter for fif return ur If gastric fe Har or Spille	fteen (15) minutes. See a physician immediate ntil mist has dissipated.
